A MESSAGE FROM THE COMMODORE

Dear MRYC Members,

I cannot begin to express how excited I am to kick off the 2021 boating season! I feel very optimistic that this year will bring much fun and adventure for all of us! I was truly amazed at how well things went last year given the pandemic we have all been living through, and although we are seeing a light at the end

of the tunnel, we must still remain flexible in what we can and cannot do this season.

Thanks to all of you for your willingness to be flexible in our plans. If this pandemic has taught us anything, it is that we all have the ability to “go with the flow” and have a great time as a group despite the challenges we have faced. With that, I am confident this

year’s cruises and events will continue to be filled with camaraderie and great times that we all enjoy!

I feel very blessed to be a part of this amazing group of people and am looking forward to seeing you all soon!
