**A MESSAGE FROM THE COMMODORE**

Dear MacRay Yacht Club Members,

Such a wonderful summer this has been, we sure have been blessed with great weather!

Thank you to our Vermillion Cruise Captains Scott & Janet Graham and Bob & Kathi Breitmeyer for an outstanding job on planning such a great cruise for all of us. The destination was such a cute little town to visit. Most had never been there so that made it very interesting. The Greek theme and menu the first night was fun and the chefs did an amazing job. Shopping and sight seeing by foot or dingy was so much fun by many. Some even by late night pontoon!! Many different dinner choices for Saturday night were pleasing everyone. Then our Sunday funday at the Vermillion Boat Club was a blast. Thank you, Cruise Captains, for such wonderful weekend!

Next most headed different direction in Lake Erie for the week! And met up in Maumee Bay. What a great resort! Thank you John & Shelly Hamlin and Chris & Jennifer Senish for all your time and great planning. Everyone had such a great time either golfing, biking, swimming, walking, hot tubbing, or just chilling playing corn hole. It was a very active weekend. Our last night there with the gorgeous sunset and bonfire which was a nice wrap up for the weekend. Thanks again Cruise Captains! Awesome job!

Our next Cruise is at Algonac Harbor! Hosted by Jack & Marge Lucido and Jeff & Bev Teno. Get ready they have another great weekend for us!

September is our Frostbite which is always such a great time. But not only is this a great time this is also our Fall Meeting

where we will be voting on few positions on the board for 2023. It really does take a crew to keep this club exciting, fun and moving in the right direction. If you happen to be interested in getting more involved in the club please reach out to myself or our Vice Commodore Mark Hock. We would love to have you!

Safe travels and be Blessed my fellow boaters!

## MacRay Yacht Club Elections

Dear Members, Each year our elections are held at the Fall General Membership meeting. This year we will elect our 2023 board on Saturday September 24th at Lake St Clair Metro Park. Per Article 4, Section 2 of our By-Laws, positions subject to annual election by the active membership are: **Rear-Commodore, Purser, and Scribe**. We also have an opening for the board-appointed positions of Fleet Captain and Activities Director. If you are interested in any of these positions, or would like to find out more about them, please reach out to your Vice-Commodore, Mark Hock or any other board member. It's a fun way to meet people and get more involved in the club. If you are not able to attend, please request an absentee ballot from your scribe, Carole Hock by Sept 3, 2022.

**MRYC Invades Lake Erie in July!**

On back to back week-ends in July, the club tested the volatile waters of Lake Erie with cruises in Vermilion and Maumee Bay Ohio. Cruise Captains Bob and Kathi Breitmeyer and Janet and Scott Graham did a terrific job with the Greek Toga party theme in Vermilion the weekend of July 22nd. There was a Mediterranean feast (can you say OPA!) fit for a God or Goddess on Friday, and everyone looked amazing in their togas. On Saturday we hit the town for some shopping or just relaxed. Saturday evening we had dinner reservations at several great restaurants in town. Sunday, some left to other destinations, while others stayed and enjoyed the pool and hospitality of the Vermilion Boat Club. During the week, members enjoyed all Lake Erie has to offer—Cleveland, Kelley’s Island, Put-In-Bay, Middle Bass and Cedar Point before meeting back up the following week-end in Maumee Bay. There, cruise captains Chris and Jennifer Senish and John and Shelly Hamlin organized a sip and dip on Friday, prepared an incredible chicken and waffles breakfast on Saturday and planned a fun ice cream social Saturday afternoon. Members had a great time making memories around the bonfire and exploring all that Maumee State Park has to offer. All in all, two exceptional trips. Thanks to the cruise captains for planning the trips and all who participated!

We are really happy to join the Yacht Club. We are starting to enter a new phase of life as our youngest will graduate high school in 3 years, so we are getting a jump on being empty nesters!

## Selfridge Air Show July 9th-10th

On July 9th -10th, Selfridge ANG hosted their 2022 open house and air show. The MRYC gathered on Mr Mac on Saturday and in Poorman's on Sunday, in front of Selfridge to watch the show. I have to say it was a completely different show from the water. Regardless of the location, both days were great fun! Thanks to all that came to one, or both locations. 'MERICA!

## 2023 MRYC FLORIDA RENDEZVOUS

Hello Members, we are working on planning our 2nd annual Florida Rendezvous in Fort Meyers Beach next year. As soon as the dates are finalized we will send out the information to everyone. I was hoping to have it for the newsletter, but that is not the case. I will share a few details now however. We are staying at the Wyndham Garden Inn which is right on the beach. It has a pool, Tiki Bar (Pincher's) and restaurant. There are many other restaurants, stores, and even a marina within walking distance. You can fly from DTW to Fort Myers (RSW) or from Flint (FNT) to Punta Gorda (PGD) on Allegiant Air. Punta Gorda is about an hour and 15 minutes from the hotel. All are welcome! The more the merrier. More details to follow.
